THE HON'BLE SRI JUSTICE L.NARASIMHA REDDY

W.P.No.28671 of 1996

Date:17.02.2006

Between:

Gravismed's School of Nursing

-------PETITIONER

AND

The Secretary, Indian Nursing Council, New Delhi.

---------RESPONDENT

ORDER:

This writ petition is filed seeking a writ of *Mandamus* declaring the action of the respondent in not conducting re-inspection and not granting recognition to the petitioner for establishing a School of Nursing, as illegal and arbitrary.

Heard the learned counsel for the petitioner and the learned counsel for the respondent.

While admitting the writ petition, an interim order was passed on 03.01.1997, directing the respondent to re-inspect the institute of the petitioner and certain conditions were incorporated therein.

It is not known as to what steps have been taken thereafter. If the petitioner was granted any recognition by this time, the grievance does not subsist. On the other hand, if the petitioner was not granted recognition, this Court cannot grant any relief, at this stage, because of the fact that vast changes have come in the matter of granting recognition to the institution of Nursing and a pattern of courses has also changed. Either way, no relief can be granted at this stage.

Hence, the writ petition is dismissed as infructuous.
